一件令我得到啓發的事

在成長的道路上，我們一定會經歷很多事情，最近發生的一件事情令我深受啓發，它就是我第一次玩「雙桿滑行」的經歷。

那是一個涼爽的星期六夜晚，我到朋友安雅家過夜。到了之後，她熱情地招待我，並按捺不住喜悅的心情，給我看了一條她玩「雙桿滑行」的視頻。只見她爬上階梯，走到了一塊離地面兩米高左右的平台上，雙手抓住兩根微微傾斜的長桿，坐在一個被麻繩吊在雙桿上的椅子上面，「咻」地一下，滑到了對面一個較低的平台上。看完視頻，我深受吸引，覺得這「雙桿滑行」特別炫酷，特別刺激，能體驗到飛一樣的感覺。「要不要去玩玩？」安雅提議，我便爽快地答應了。

我們迫不及待地奔向公園。在微亮的路燈照射下，我看到了炫酷的「雙桿滑行」。「這分明就是設計給三歲小孩玩的，一點也不可怕。」我心想。只見安雅興沖沖地跑了上去，坐在椅子上尖叫着滑了下去。

接着到我了。我迅速爬上高處，急切地做好了安全措施。正當我準備滑下去時，我瞟了一下地面，呀，怎麼這麼高！因為當時是夜晚，地面就像一個黑漆漆的無底洞。我的腿就像塞滿了棉花一樣軟綿綿的，心想：「如果我摔了下去，那不得粉身碎骨！」可我又轉念一想，為什麼安雅做得到，而我就不行呢？在安雅的不斷鼓勵下，我鼓起勇氣，像小鳥一樣「飛」了下去。一開始的緊張化作了興奮和自豪，因為我克服了自己內心的恐懼。

從這件事中，我學會了要勇於克服自己的恐懼。恐懼是成長路上的絆腳石，克服了自己的恐懼，就能所向披靡，到達成功的彼岸。

敘述生動自然，也寫出了心理的活動變化過程。但要留意人物的對話最好獨立成段書寫，可以表達更加清晰。

How to Play a Song

● Characters

Monkey, Goat, Pig, Horse and Miss Nightingale

● Setting

In Monkey's garden

Narrator: Pig, Goat, Horse and Monkey are going to play some songs together. They brought a flute, a trumpet and two violins.

Monkey: (happily) Are you ready? Let's start!

The animals play a song. It sounds very bad!

Monkey: (angrily) Stop! Why does our song sound so bad?

Pig: (putting down his violin) It's because we are not sitting at the right places! Goat, take your flute. You should sit next to Monkey. Horse, take your violin. You sit opposite me.

The animals take their seats and start playing.

Monkey: (shouting) Stop! How come we are still playing badly?

Goat: It's because we are not sitting in a line!

The animals sit in a line and start playing. The song is still terrible!

Enters Miss Nightingale. She walks past Monkey's garden.

Horse: (pointing at Miss Nightingale) Look! That's Miss Nightingale. Let's ask for her help!

Horse walks to Miss Nightingale quickly.

Horse: Miss Nightingale, we can't play a song well. Is there a problem with our seating?

Miss Nightingale: No, but there are some problems with your skills. Learn to play musical instruments in my classes. Go to my webpage and find out more about them!
