Humble: showing you do not think that you are as important as other people

to and fro: moving forwards and backwards

mutter: to speak in a quiet voice

"No, never! The wind cannot defeat me!" shouted the oak tree. Swoosh! The strong wind blew, and down fell the oak tree into the river.

The reed bent and survived. "Poor tree, I told you to bend," he whispered. The oak tree was uprooted, lying helplessly next to the river. "This is why it's better to bend a little than to break," the reed muttered to himself.
